|  | <h2>Who can have the Vaccine?</h2> <p>Community Service users</p> |
|  | <p>Almost everyone can have the Vaccine if they want it</p> |
|  | <p>There are some people who might not be able to have the Vaccine</p> <ul style="list-style-type: none"> • People who are pregnant • People who have a serious allergy and use emergency medication <p>Speak to your doctor to check if you can have the Vaccine</p> |
|  | <p>Giving everyone the Vaccine will take a long time</p> |
|  | <p>Some people will get the Vaccine injections before other people</p> <p>This is because doctors know they will get very poorly if they get Coronavirus</p> |

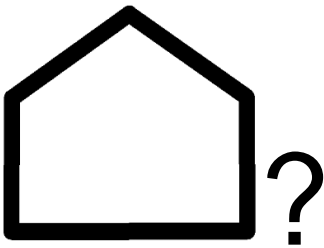

When will I get the Vaccine?

The doctors will let you know when it is your turn to have the Vaccine

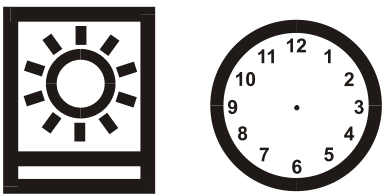

The **doctors** will send you a **letter** to tell you it is **your turn**

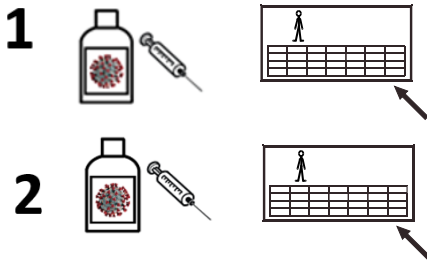

You can **choose where** you would like to **go** to have the **Vaccine**

This is normally at the:

- Hospital
- Doctors surgery
- Or a clinic

You can choose the **day** and **time** you would like to go

When you book your **appointment** for your **first** Vaccine **injection**

You might be given a **date** for your **second** Vaccine **injection**

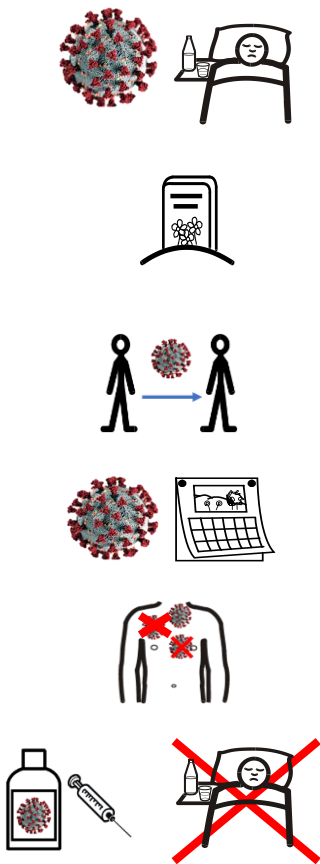

The Vaccine is **free**

This means you do **not** have to **pay** for it

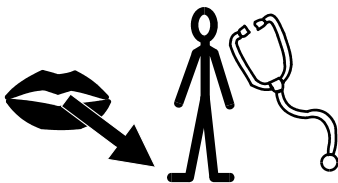

You can **choose** if you **want** to have the **Vaccine** or not

Remember

- The **virus** can make you **very poorly**
- Lots of **people** have **died**
- You can **pass** the **virus** onto **other people**
- The virus will be around for **longer** if people do not have the vaccine
- The **Vaccine** can help **fight** the **virus**
- The **Vaccine** will help to **stop** you from getting **very poorly** with the virus

You can **talk** to your **doctor** if you are **not sure**
