Reach Learning Disability Fundraising Complaints Procedure

Complaints must be made within six months of the event to ensure that proper investigations can be carried out.

A complaint is defined as an expression of dissatisfaction (written or verbal) about a function, decision or service commissioned or delivered by Reach Learning Disability.

Any person or group can make a complaint.

If it is possible to resolve the matter immediately, there is no need to engage the complaints procedure, however a record will be kept on file.

How to complain

Step one

You may send your complaint to us in any of the following ways:

Phone: 01636 819066 and ask to speak to the Fundraising Director.

Email the Fundraising Director on Julia.sandhu@reachuk.org

Post: Julia Sandhu, Fundraising Director, Reach Learning Disability, Prebend Passage, Southwell, NG25 0LA

Complaints related to fundraising will normally initially be dealt with by the Fundraising Director. Where it is not acceptable for the Fundraising Director to handle the complaint eg because s/he could be personally involved, the matter will be taken to the Chief Executive. In the absence of the Chief Executive the matter will go to a member of the Senior Management Team.

Our aim is to ensure every complaint is acknowledged within 10 working days.

Step Two

We will respond to your complaint. Your complaint will be fully investigated by our Fundraising Director, Chief Executive or other nominated Senior Manager within 20 working days starting from the date when the complaint was received. If it is not possible to give a full response within the timescale, we will contact you to provide an explanation and indication of when a full response can be expected (within a further 10 working days).

Step 3

If you are unhappy with our response, please let us know and this will be looked into by our Chief Executive or a named Trustee. The person responsible for this review will write to you clearly setting out the outcome of their review and the reason for their decision. Where the Chief Executive was involved in the complaint the matter will go to the Chair of Trustees.

An acknowledgement will be sent in writing (within 10 working days of receiving your response) and an expected timescale for the review to be carried out will be given.

The review will be completed within 25 working days of receiving your response. If an extension is necessary we will inform you of the reason and provide you with an update

Step 4

Taking your complaint outside of Reach Learning Disability

If you are still unhappy with the response you have received, you are entitled to take your complaint to the Fundraising Regulator. Please go to their webpage at www.fundraisingregulator.org.uk/complaints/make-complaint where you can make a complaint by filling in their web form or if you're unable to make a complaint in writing, you can also contact them on 0300 999 3407. Complaints regarding personal data can be made to the Information Commissioner at <https://ico.org.uk/make-a-complaint/>.

Recording of Complaints

- All correspondence and notes relating to the complaint will be stored in a locked cabinet or password protected electronic file/record and retained for 7 years from the completion of the process.
